Von 7bris bis in d. Ende des Januarii war ich zu Tournay u. hielt 3 Quartal Collegia Homiletica. Calov selbst hatte seine Lehr- u. Glaubensart nicht, wie in seinen Scholien, Postillen, Commentariis, fabula et pathetica explicationibus, Bibel u. Catechismo, sondern kurtz u. bündig, wie es die Sache selbst erfordert, vorgetragen, u. ich wurde dahero gezwungen, diese Art zu imitiren, u. mich so kurtz zu fassen, als es die Materie nur immer leiden wollte, ohne mich in Weitläuftigkeiten einzulassen, die nur Verwirrung machen. Ich hatte mir vorgenommen, alle Tage eine Stunde zu lesen, u. dabey zu bleiben, allein es kamen so viele Studiosi, daß ich mich genöthigt sahe, noch eine Stunde zu lesen, u. also 2 Stunden des Tages zu arbeiten. Ich hatte mir vorgenommen, die Collegia Homiletica in 2 Jahren zu endigen

Tournay. d 29. febr. 1740.

Hochedler Hochgelahrter, Hochgeehrter
Herr Professor!

Ihr Hochedl. geehrtes vom 19ten dieses mir eingelaufenes Schreiben habe ich zu meiner Vergnügung ersehen, daß Sie mir in meinem Vorhaben, meine Kinder studiren zu lassen, Beyfall geben, und mir Ihre Meynung darüber eröffnen wollen, welches mir sehr angenehm ist, weil ich dadurch Gelegenheit bekomme, mich mit Ihnen darüber zu unterreden, und Ihre Meynung zu vernehmen, welche mir sehr lieb ist, weil ich weiß, daß Sie es gut mit mir meynen, und mir gerne rathen werden, was mir das beste ist. Ich habe mich auch schon lange Zeit mit diesem Gedanken getragen, meine Kinder studiren zu lassen, weil ich sie gerne in einem Stande sehen möchte, worinnen sie ihr Brod ehrlich verdienen können, und nicht nöthig haben, sich mit Handarbeit zu ernähren, wie ich mich habe müssen thun lassen, da ich meine Studia wegen Armuth habe müssen quittiren, und mich zu einem Handwerk habe begeben müssen, welches mir aber nicht allzuwohl bekommen ist, indem ich wegen Schwachheit meiner Augen, welche mir durch Arbeit sehr angegriffen worden, dasselbe habe müssen quittiren, und mich auf andere Mittel habe legen müssen, meine Kinder zu ernähren, welches mir aber auch nicht allzuwohl bekommen ist, indem ich wegen Mangel der Sprache in Frankreich nicht viel habe verdienen können, und mich also habe müssen entschließen, wieder in mein Vaterland zu gehen, allwo ich mich nun schon 3 Jahre aufhalte, und mich mit Information der Kinder ernähre, welches mir auch nicht allzuwohl bekommen ist, indem ich wegen meiner Religion nicht viel Kinder habe bekommen können, und also genöthiget bin, mich mit Information der Kinder der Reformirten zu ernähren

Da Er aber gewohnt ist die Schulden der Tochter Zions durch den Geist des Gerichts u. aus Brennens zu sagen, muß man in Wahrheit gantz andere mehrere nehmen, wann er stell Gnade vor Recht ergehen laßt. Uns selber muß wir richten, wenn wir von Ihm o. wollen gerichtet seyn. Findet die Erinnerung Jacob. 5. p. 1. irgend statt, ist es mein Erachtens bey solchen fallen, da man sich o. nur vor seinen Pfarrer versündiget, sondern auch den Nächsten mit in die Patsche gefahrten. Übrigens bestehe ich mich auf dem, was ich an H. Gen. durch seine Veranlassung geschrieben habe. Den Frieden den Jesus giebt, halte ich billig hoch, nun den aber, welchen die Welt giebt, bekanntlich mich oben o. gar groß: denn dieser ist doch nur mit Lumpen gefüttert, u. hält darum den Stich nicht. Es ist mir lieb, daß ich nun einer nichts werthen sache will so viel Zeit u. Wort verlieren muß. Ich kann auch in Wahrheit versichern, daß ich dieser arbeit lieber wäre überhaben geblieben. wenn ich nicht durch Ew. Hochfürstl. dazu wäre auch erfordert worden. Was ich schließlich wünsche, ist dieses, daß Gott in Liebe u. Gnade wolle zurecht leg, wz durch Menschen verdorben worden. Vorß Schutz u. Gnade ich Sie samt d. Freu Liebsten unter Hoffe salutatione empfehle, sonst aber verharre
